Work experiences

- 2006** **Internship at Troyan Drumshop, Munich**
my central work was to tune and arrange drumsets
- 2009** **CinemaxX, Munich**
the most important experience I collected in one of munich's main cinemas was, to react calmly and properly as a team in stressful situations

Personal skills and competences

- Mother tongue:** German
- Other languages:** English (intermediate), French (beginner)
- Personal skills:** I enjoy to work in groups just as on my own and I am able to handle multiple projects under tight deadlines from start to finish with minimal supervision.
- Hardware skills:** By my work in our studio at university, I am familiar with different types of microphones and basic studio equipment
- Software skills:** Steinberg Cubase 4, Pro Tools 8, Logic Pro 9, Native Instruments Reaktor 5, Propellerhead Reason 4;
basic skills in MaxMSP, Adobe Suite 5: Photoshop, InDesign, Illustrator, Premiere
- Personal interests:** I've been playing drums for 9 years and have basic guitar, piano and bass skills.
I'm also very interested in photography and sports.
- Driving licence:** International Driving License (B, M, L, T/S)
